Astaire at the Sequoia

Fred Astaire seems to be having a little trouble with the Sarge, in "You'll Never Get Rich," which opens at the Fox Sequoia Theater this Sunday. Rita Hayworth, Fred's new dancing partner, is said to be the best yet. "Harmon of Michigan," the pigskin epic, shares honors on this program.

Rolla Ward Dies Of Accident Injuries

Rolla Ward of 533 Bay Rd., Redwood City, died Tuesday in the Santa Maria Hospital as the result of injuries incurred in an automobile accident.

Military funeral services will be held for him Friday at 1 p.m. at the graveside in the Golden Gate National Cemetery at San Bruno. Arrangements are being

made by the Tinney Funeral Home in Palo Alto.

Mr. Ward is survived by his wife, Mrs. Ethel Ward, and five children, Margaret, Ray, George, Kenneth and Warner.

He was a veteran of the World War and belonged to Menlo Park Post 443, American Legion.

POPEYE, THE RECRUITING OFFICER, MEETS THE ADMIRAL!

Wolo, Famed Artist, Will Draw For Kiddies Saturday at Library

Wolo, the widely known artist who has painted for children on many occasions, will be the attraction offered by the Redwood City Public Library as a climax to the observance of Book Week.

The artist, who painted the murals for the Stanford Convalescent Home, will give a talk and draw pictures for children when he appears in the story Saturday at 10 a.m., according to the local library. The hour of the local library is to Miss Wilhelmina Harper, librarian.

It was Wolo who drew the cover pages for the Tribune's fiesta edition in September, 1940, and he has done a number of other noteworthy projects. Among them are the playground panels in the children's waiting room of the Palo Alto Clinic.

Recently he wrote and illustrated a children's book, which has just been published. For some time, he was an illustra-

tor for the San Francisco Chronicle.

There will be no admission charge for youngsters to see Wolo. He will be in the library for about an hour.

During this week, public elementary school children from

Medical Aptitude Tests Scheduled

Special aptitude tests for all students planning to enter medical schools in the Fall of 1942 will be given on Dec. 5 by the Association of American Medical Colleges. The tests will be given, locally at 2 p.m. in room 215 at the new science building of the San Mateo Junior College. Dr. David Shepard of the college faculty is in charge. A fee of \$2 from each applicant is required.

Approximately 125,000,000 separate shipments are handled annually by the railroads.

the fourth to eighth grades are visiting the library, being taken there by school bus. New books are shown to the youngsters by Mrs. Janet Lauer. Next Monday students of Mt. Carmel Parochial School will visit the library. One class is taken at a time.

400 Men on Isle Sorely in Need Of Magazines

Four hundred men on an island — and little or no reading matter.

That is the situation facing a certain group of fellows — many of them from Redwood City — in the section base, naval reserve or enlisted unit at Treasure Island, only 25 miles from here, but oh! so far away. Mrs. George L. North Sr., mother of one of the navy men on the island in San Francisco Bay, said she had been advised by her son that the young men were entirely out of magazines and books.

Too late to get some of the material gathered a week ago by Boy Scouts, who turned over their magazines immediately to United Service Organizations, Mrs. North wonders if Redwood City people would contribute magazines or books to the boys on Treasure Island? If so, they could leave them at the Tribune office, or could telephone Mrs. North (Redwood 2049) and she would call for them.

Fur farms were counted in the 1940 farm census and when the schedules are tabulated they will furnish a record of the number of such farms in each state together with the number of silver fox and mink pelts marketed.

Chairmen Appointed

Virtually every organization in Redwood City has agreed to aid in the staging of the Red Cross Roll Call here Nov. 11-30. Chairman Wayne R. Millington, representing the sponsoring Lions Club, disclosed here.

The Kiwanis Club, headed by Carl E. Ward, president, will canvass the downtown district. The remainder of the city has been divided into sections, with clubs and their chairmen or presidents taking charge as follows:

American Legion, J. G. Barrett; Legion Auxiliary, Mrs. P. L. Constantia; Commuters Club, Wrex W. Cruse; Exchange Club, Dr. R. O. La Berge; Eagles, C. L. White; Japanese Association, K. Inouye; Junior Chamber of Commerce, Floyd F. McCue; Italian-American Progressive Club, P. Garino; Lions Club, Albert Oneto; Native Daughters of the Golden West, Miss Margaret Locatelli; Native Sons, William Bird; Fire Department, Mark E. Ryan; North Fair Oaks Improvement Club, W. R. Moore; Veterans of Foreign Wars, J. W. Dean; VFW Auxiliary, Mrs. Desse Miller; Woman's Club, Mrs. E. D. Murphy; United Spanish American War Veterans, W. H. Augustus; Young Ladies Institute, Miss Mabel Lee.

In addition the campaign in Sequoia High School will be headed by Supt. A. C. Argo; in the elementary schools by Supt. Andrew Spinas; in Atherton by Mrs. Warrington Dorst; in Woodside by J. V. Neuman, John Volpiano and Mrs. Oliver Dibble Jr.; in Friendly Acres by Thomas Aldrich.

Mrs. Mary Winter is also taking a district.

Annual production of radios in the U.S. has passed the 8,000,000 mark. In 1939, according to factory reports to the Bureau of the Census, 8,256,250 complete radio receiving sets were produced compared with 5,843,569 in 1937.

Development Seen for Port

Possibility of a major development materializing before the end of this month for the Port of Redwood City was reported to the board of port commissioners on Tuesday by Manager Leslie M. Rudy.

While details of the development — which Rudy said involved a private concern — could not be released for publication at this time, they are expected to be completed and announced by the end of November.

Other matters developing at the municipal harbor were also discussed at length by the commission and port manager, without final action being taken on any at the meeting.

Trees from which cork is obtained grow only in areas bordering the Mediterranean, according to the Department of Commerce.

Now—more than 12 million telephone calls a day!

THE number of telephone calls we handle on the Pacific Coast has mounted to over twelve million a day!

Each telephone call must be made to order—on a moment's notice...manufactured and delivered in a matter of seconds.

That's a big job—but it's only part of the job we're doing today as the West hits its stride on National Defense work. Add to this a program of plant additions, this year, in excess of \$75,000,000 of which expenditures for new construction alone will be over \$62,000,000.

We are making an all-out drive of man power, materials and money to supply the kind of telephone service that will help the Pacific Coast speed its part of America's biggest job.

MENLO PARK NEWS NOTES

BY D. E. O'KEEFE

MENLO PARK—Miss Meta Kugeler, after an illness of many months' duration, passed away last Friday. She was born in Menlo Park 63 years ago and resided here all her life. Up until a short time ago she was secretary of the fire department. Miss Kugeler was widely known on the Peninsula. She is survived by three sisters in San Francisco.

Harry Bell, who passed away in Redwood City last Friday, was a resident of Menlo Park for 22 years. He was a groom at the Stanford Stock Farm in the heyday of its glory. He groomed Electioneer and other noted horses that brought fame to the farm. Bell had lived in retirement for many years. He was a native of San Francisco, aged 73 years.

The annual bazaar organized for the benefit of the Corpus Christi Monastery by the Women's Guild is to be held at Palo Alto Community Center Thursday, Nov. 13, from 1 to 6 p.m.

There will be on sale fancy work and other articles made by the Nuns and their friends and also a large variety of cakes, jellies and candy. The public is invited.

D. J. Murphy of Santa Clara was a guest of D. E. O'Keefe on Wednesday. He is a cousin of the late James D. Phelan and for many years had charge of the 20,000-acre ranch of his relative at Chico. Mr. Murphy spent his boyhood at the Flood place, when it was owned by his other cousin, the late John Sullivan.

James Dolan of Chicago was here Tuesday looking for a location for a theater. He represents a large syndicate that has a chain of playhouses throughout the East.

Mr. and Mrs. W. H. Weeden on Sunday entertained their relatives, Mrs. Charles E. Thomas, Mrs. Joseph Branco, Charles Thomas Jr. and Paul Jones, all of Monterey.

Couple Sue To Regain Custody of Their Child

Charging that her mother and sister "stole" her child while the 6-year-old youngster was attending Sunday school in a local church, Mrs. Laura V. Sagaser has filed a writ of habeas corpus in superior court demanding the child be produced.

With her husband, Harvey A. Sagaser as coplaintiff, Mrs. Sagaser charges, that her sister, Mrs. Mary E. Cooper of Emerald Lake, and her mother, Mrs. Sarah L. Ingraham of Redwood City, have concealed Marilyn Jeanne Sagaser from her parents since they took her last Sunday.

The Sagasers were ready to leave Redwood City and establish their home in another city where Sagaser has a job, when the child was taken, according to the statement made in the writ action.

Coincident with the filing of the writ, Mrs. Cooper and Mrs. Ingraham are reported to have filed an action through which they seek to obtain guardianship of the child.

Ave. was installed as chief daughter of Bonnie Doone. Daughters of Scotia, at impressive ceremonies conducted by Chief Dep. Violet Bowman in San Jose Saturday night. A delegation of Palo Alto Rebekahs were in attendance and presented Mrs. Jones with an evening bag.

A group of Royal Neighbors from Redwood City were also present and gave Mrs. Jones gifts and flowers. Mrs. Jones is a member of both lodges. Isabelle Weeden Lindquist made the Rebekah presentation and sang a group of Scotch songs.

U. S. NAVY RECRUITING OFFICER PRESENTS APPLICANT WITH NEW "BADGE OF HONOR"

COMMANDER F. K. O'BRIEN, of the U. S. Navy Recruiting Service, is shown here placing the new Navy "Badge of Honor" on the lapel of an applicant for enlistment in the Navy. (Badge shown above at right.) All ambitious young men who apply for service in Uncle Sam's "Two-ocean" Navy, whether accepted or not, are given this new badge as a mark of their patriotism. To learn of the many opportunities the Navy and the Naval Reserve offer, local men of 17 years and over can get the official illustrated free booklet, "Life in the Navy," from this newspaper's Navy Editor.

U.S. factories produce more than 72 million gross of buttons annually, according to the census. Pearl or shell buttons lead with more than 20 million gross and synthetic-resin buttons are next with more than 15 millions gross.

Waters Estate Row In Supreme Court

The court battle around the estate of the late James F. Waters, San Francisco automobile magnate who drowned in the swimming pool of his Woodside estate, was carried to the State Supreme Court on Tuesday by Lura B. Waters, Waters' former wife.

She is asking the court to set aside a San Francisco Superior Court order appointing as administrator of the estate Mrs. Ronnie K. Waters — to whom Waters was married at the time of his death.

Pessimism Over Future
Is Called Unwarranted

BY H. L. ANDREWS
Vice-President,
General Electric Co.

Any extreme pessimism over the future of the appliance business, particularly during the period of our national emergency, is unwarranted. No one is bent upon the destruction of business. On the contrary, we may expect that every possible constructive effort will be exerted, consistent with vital defense necessities, to support our internal strength, the national economy and every essential part of it. This policy is, in fact, imperative and indispensable to national defense itself.

As the momentum of the defense program accelerates we shall, of course, feel the pinch of priorities. Our resourcefulness may be tested to the limit but the results will not be and must not be fatal. To believe otherwise is to assume the failure of the whole patriotic program, which is unthinkable.

The resourceful, courageous dealer will find eventually that conditions are not as bad as he may have feared. Through better and greater service he may expect increased income. Unit values and prices are higher. There is good reason to believe that volumes of business like those of 1939 and 1940 at least may be reached — and these were not unprofitable years for efficient operators. In many instances other allied lines of household merchandise may be added to support overhead costs. Complete kitchens, for example, may be pushed and sold where only refrigerators or ranges were sold before. There are no special limits imposed on individual initiative. Dealers who follow sound practices and keep alert to new trends and opportunities will continue to be successful and come through with flying colors.

Table model radios are the most popular, according to the Census Bureau which reports an annual production in U.S. factories of 6,965,000 table model radio receiving sets and 1,291,000 console-type sets.

Silver foxes are raised by about 1000 farmers in the Province of Ontario, Canada, the Department of Commerce reported.

"NAVY INTELLIGENCE"

Is it necessary to be a high school graduate in order to enlist in the Navy?

No. Navy enlistees need not be high school graduates. All applicants will be given an examination containing approximately 100 questions. A grade of 50 per cent or better on this examination is sufficiently high to pass the Navy educational standards. However, a high school education will be valuable to the seaman during his Navy enlistment.

If I enlist in the Navy or Naval Reserve, will I be sent to a Navy Trade School?

All new recruits are sent to one of four Naval Training Stations and after a training period they may take examinations for entrance into Navy Trade Schools. Those recruits who pass their examinations with sufficiently high grades are sent to Navy Trade Schools before assignment to the fleet. While attending these schools, they will receive regular Navy pay and free schooling valued at \$1500.

What is the greatest possible pay I can expect to earn during my first term of enlistment? It is possible to earn as much as

\$126 a month by the end of your first term of enlistment, and remember that your clothing, lodging, medical and dental care are all supplied free.

After I have served my term of enlistment, what benefits do I get for re-enlistment?

Depending on your rate and length of service, you can get a cash bonus up to \$300 plus 30 days leave with pay.

What does the term "ash can" mean in the Navy?

An "ash can" is a slang term applied to the depth charge used to combat submarines. The average "ash can" is a container filled with approximately 300 pounds of T.N.T. and can be dropped overboard from a ship and so controlled as to explode at depths ranging from 36 to 300 feet. These are generally carried by the fast ships in the fleet, as a boat dropping a charge regulated to explode at 70 feet depth must move away from the explosion area at a speed of 25 knots or more. These "ash cans" are either rolled off the stern or shot from "y-guns" which hurl one right and one left simultaneously.

The Department of Commerce says the need for expansion of productive capacity in many raw material industries is great.

The woolen yarn manufacturers say they have sufficient stocks on hand, and in the stores of America, to produce 2,000,000 sweaters.

Consumer expenditures in the United States will total 75 billion dollars this year, the Department of Commerce says.

"Imagine me,
steering a
Destroyer!"

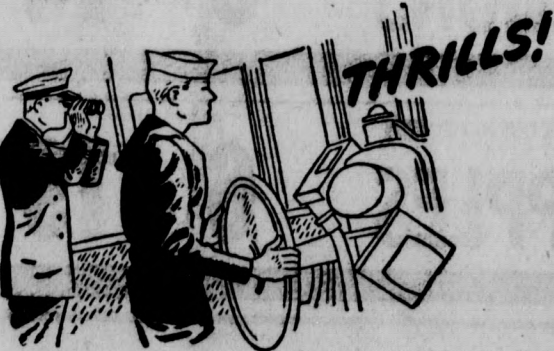

"And I've had two pay raises
in only eight months! I'll say
you can't beat Uncle Sam's Navy!"

YOU couldn't ask for a greater thrill than that which a fellow gets when he comes back home wearing a trim Navy uniform. The folks crowd around. They all want to know where you've been, what you've done. And man, do you have stories to tell!

GREATEST LIFE IN THE WORLD

You're proud. And you should be. For you've been leading the greatest life in the world. And it's a thrill to tell about it, too. A thrill to see the admiration in the eyes of the One and Only Girl as you tell about the first time you steered a Destroyer. Or handled a P.T. Boat at more than 45 miles per hour. Or stepped out in front of your shipmates to receive your first promotion.

And with that promotion came an increase in pay. And there were more to come. Second Class. First Class. And then Chief Petty Officer. Many might even go to Annapolis. Or to Pensacola with the flying cadets!

Exciting? You bet, and fun too. Something doing all the time. Real he-man's stuff. Boxing. Baseball. Football. Swimming. AND MOVIES... previews, too!

ENROLL IN THE NAVAL RESERVE
... BE RELEASED AFTER THE EMERGENCY

The Secretary of the Navy has announced:—"All men now enlisting in the Naval Reserve will be retained on active Navy duty throughout the period of the national emergency, but they will be released to inactive duty as soon after the emergency as their services can be

spared, regardless of the length of time remaining in their enlistment."

Remember—the regular Navy and Naval Reserve offer you the same travel, training, promotions, pay increases. Physical requirements in the Naval Reserve are more liberal.

SERVE YOUR COUNTRY ★ BUILD YOUR FUTURE

LOOK WHAT THE U. S. NAVY
AND NAVAL RESERVE OFFER YOU

FREE TRAINING worth \$1500. Nearly 50 trades and vocations to choose from.

GOOD PAY with regular increases. You may earn up to \$126 a month.

EACH YEAR you are entitled to a generous vacation period, with full pay.

GOOD FOOD and plenty of it.

FREE CLOTHING. A complete outfit of clothing when you first enlist. (Over \$100 worth.)

FREE MEDICAL CARE, including regular dental attention.

FINEST SPORTS and entertainment any man could ask for.

TRAVEL, ADVENTURE, THRILLS—You can't beat the Navy for them!

BECOME AN OFFICER. Many can work for an appointment to the Naval Academy or the Annapolis of the Air at Pensacola.

FUTURE SUCCESS. It's easy for Navy trained men to get good-paying jobs in civil life.

LIBERAL RETIREMENT-PAY for regular Navy men.

FREE TRAINING WORTH \$1500

And all this time you're taking care of your future! The Navy said, "Pick a trade—we can make you an expert." And they gave you nearly 50 skilled trades and vocations to choose from: Radio expert, machinist, welder, aviation mechanic, dental technician, electrician—to mention a few.

Yes, training that would be worth \$1500 to you in one year's time. Training that will assure you of a well-paid job in civil life. Yet you get paid while learning—get your keep and a complete outfit of clothing free.

Where else in the world are there such opportunities for thrill, for fun, for a future as in Uncle Sam's Navy?

Cowboys Gather at S.C. For Coming Meet, Rodeo

SAN CARLOS—Cowboys by the dozen are beginning to swarm into the Devonshire Hills on their way to the H-H Ranch. The broad mesa there, where the Portola pageant and rodeos will be held this weekend, begins to give some indication of how it will look Saturday when cowboys gather for their national convention and vie in the exciting round-up events.

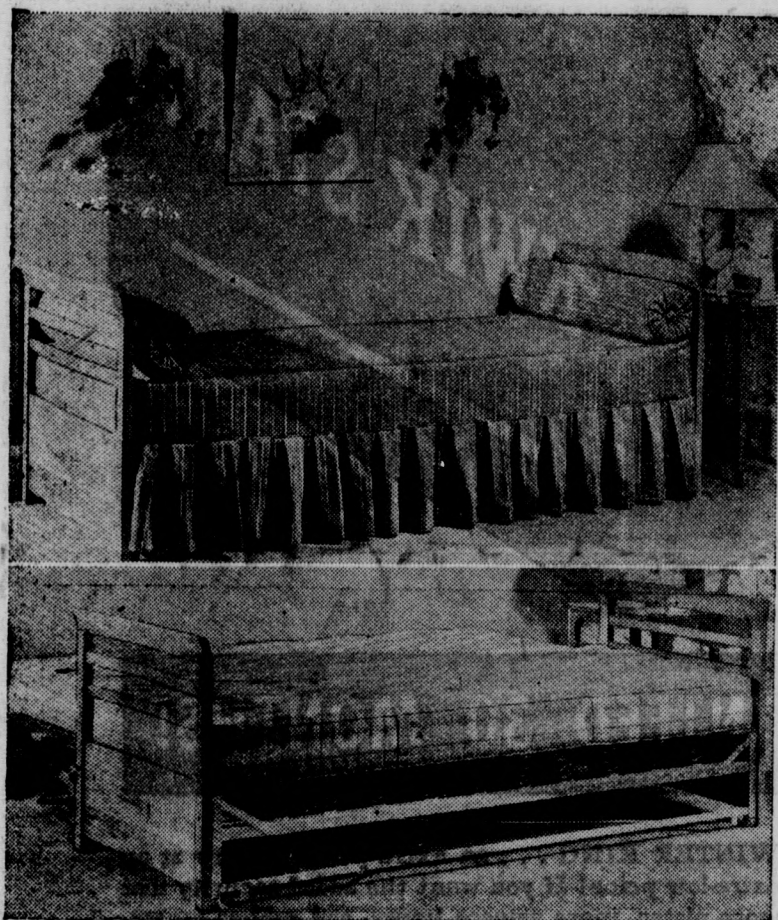

Trudging up the two miles of hill from San Carlos to the ranch one day this week went Dobie Davidson. Dobie announced cheerfully that he had just gotten his hand out of a cast in time to take his part on Saturday and Sunday afternoons riding the bulls. Dobie's hobby and preferred occupation is riding a Brahma bull—fiercest of the species. This weekend spectators will see what concentration on one line of work will do when they see Davidson and many other cowhands who like life tough ride into the arena on J. J. Millerick's Brahmas—known to be the meanest, bucking bulls in the country.

A lot of local cowboys will be right in there with the best of them. Here are some of the local lads: Art Timbler, bronc rider from Redwood City; Don Faciolli, bull dogger from Palo Alto; Bud Roberts, San Jose roper; Sol Cole, also a roper from San Jose; George John-

son, San Mateo roper; Don Naas, roper, bull dogger and bareback rider from San Mateo; Dr. Paul Silva, another San Mateo boy who's tops with the ropes; Ven Mahoney and Jim Quirionnes, ropers from San Francisco; Dr. J. R. Whitman, San Carlos roper; Tom Hinchman, roper and bull dogger from Almoden; Louie Larsen, roper and bareback and bull rider from San Mateo; Fred Harrington and Ike Chisholm, ropers of San Francisco; Dick Hoenck, roper from Redwood City; Don Wilson, Bud Lewis, Toots Lopez, Eddie Zwiertein, Pat Foley, Bruce Graham and John Dillard, all Peninsula ropers, while Dillard also rides the bulls; Hop Marshal, who rides bareback, saddle, and bronc, Joe Bessler, in charge of the round-ups, and president of the Cowboys' Association, rides everything.

Ted Godotti from Livingston has been named rodeo judge, according to "Doc" Whitman, Bessler's assistant in putting on the big shows, and Jack Conley of San Francisco will judge stock horse and pinto classes along with Otto Hansen.

Ready for Double Duty

Defense workers and others compelled to adjust their living accommodations to smaller quarters will look with favor upon this new Duplex bed, shown above (top) as it appears for day time use, covered with an attractive slipcover and with round bolsters at each end. The lower portion of the bed pulls out easily and then rises to normal bed level for sleeping purposes, as shown below. It may be used as a double bed, or as two single beds, as it is equipped with two regular innerspring mattresses.

Dr. Warren's Name Again Before Board

The name of Dr. Harry C. Warren, Belmont sanitarium operator, was submitted Tuesday to the supervisors for appointment to the county board of health and welfare to fill the vacancy created by the death of Dr. Will Rebec. It was the sixth time Dr. Warren's name had been submitted to the board by Frederick Peterson, county executive, for confirmation. In all previous instances, the board refused to ratify the appointment.

Dr. Warren's name was submitted to the supervisors in a letter written by Peterson and delivered after the meeting had started. Chairman Fred E. Beer said he and the other members of the board wished to give the matter further consideration so no action was taken at this meeting.

In the same communication, Peterson submitted for reappointment the name of Dr. N. D. Morrison Sr. of San Mateo, hold-over member whose term has expired. It was indicated that Dr. Morrison's reappointment would go through at the next meeting of the board without question.

REITERATES STAND

Relative to the appointment of Dr. Warren, Beer said that he still maintained the same stand on the question that he has held in the previous five instances when Warren's name was submitted by Peterson and turned down by the board: "I will support any appointee who has been recommended to the position by the county medical association."

In reply to a request by the San Mateo County Defense Council that \$2000 be appropriated for operating expenses, Beer announced that the amount already had been set up in the budget and no further action on the part of the board was necessary.

Resignation of William D. Soule, San Mateo city manager, as a member of the county defense survey committee was accepted. No immediate action was taken on making another appointment. Members of the board did, however, express themselves in favor of seeking an engineer to fill the position.

SANITARY DISTRICT

Preliminary mechanics of setting up the election to determine whether the Capuchino Sanitary District should be formed received the board's approval when Dec. 6 was set as the election date. All registered voters in the Capuchino district will be eligible to vote on whether they favor formation of the district. Three directors will be elected at the same time. In event the formation question receives a favorable vote, the directors will cause completion of a survey of the project. This survey will lead to a second election at which voters will decide on a bond issue to finance the improvement which includes a 36-inch outfall into San Francisco Bay.

In answer to a request made by the board two weeks ago, that he provide them with a list of county positions and the salaries paid in each case, Peterson sent the board a copy of the salary ordinance it passed at the beginning of the fiscal year. Before the letter of transmittal, explaining the transaction, could be read, Chairman Beer ordered the letter filed.

Native Daughters Aid Celebration

SAN CARLOS—Native Daughters of the Golden West will play an important part in the Portola Jubilee, week-end celebration to be held in the Devonshire hills back of San Carlos this coming Saturday and Sunday.

Members of the seven county parlor, at Burlingame, Menlo Park, Redwood City, San Bruno, Half Moon Bay, Daly City and Pescadero, will participate.

Three teams will march in costume in the pageant itself—the big outdoor historical drama to be staged on "Portola Mesa" Sunday noon.

Pescadero's Ano Nueva Parlor is sending its drill team of 13 members, while Redwood City's drill team, also of 13 members, will represent Bonita Parlor. The El Carmelo drum corps will come from Daly City.

Bonita Parlor's secretary, Mrs. Martha Bernasque, has been active on the Portola committee, and has charge of the food concessions.

Hot dogs and soft drinks will be dispersed at the jubilee all day Saturday and Sunday, according to Mrs. Bernasque.

The San Mateo County Horsemen's Association will have a booth for cold drinks.

Hundreds Attend Unity Rally; Air Show Canceled

SAN CARLOS—Switched at the 11th hour—in fact, at 11 o'clock—from the San Carlos Airport to the school auditorium, the unity rally and mustering in of the Third Observation Squadron into the California State Guard was held before a large crowd Sunday afternoon.

Truman S. Waterman, program chairman, said that hopes were held until the 11 o'clock hour that the rain would let up so that the air show could be held, but at that time it was decided to move into the school building and proceed with the remainder of the program.

People arriving at the airport were directed to the school. He

estimated that 2500 automobiles were turned away from the airport on El Camino Real and said that many others on the Bayshore were directed to the school.

Maj. Arthur Edgar Lang of San Francisco's first state guard regiment was the mustering officer. Maj. Ernie Smith, U.S. Army reserve flier, made the official presentation of the regimental guidon to Maj. Frank A. Flynn, commander of the Third Observation Squadron.

Brig. Gen. Joseph Donovan reviewed the unit. Speakers in the three-hour session that got under way about 12:30 included Wallace L. Ware, former presi-

dent of the California Railroad Commission, who came from Southern California for the occasion; Chauncey Tramutola,

Mrs. I. A. Hutchinson Dies at Home Here

Following a period of failing health, Mrs. I. A. Hutchinson died shortly before 12 Monday at her home at 211 Marshal St. She had lived in Redwood City about 20 years, and was a life member of the Redwood City Woman's Club. Her husband, Sterling P. Hutchinson, died here in 1927.

Mrs. Hutchinson was the aunt of Carl W. Phillips of Richmond.

San Francisco political leader; Mayor Angelo Rossi of San Francisco; Mayor A. H. Sagehorn of San Carlos; Col. Donald McRae, and Bob Burns of movie and radio fame, who also came from Los Angeles for the event.

Ada Leonelli, opera soprano, sang.

The guests were given a breakfast at 10 a.m. by the local committee.

Development Plan Outlined For Area

A plan for eventual development of the 22-acre recreation center site at Chestnut St. and Bayshore Hwy. was agreed upon by the Redwood City Recreation Commission when it met in special session Tuesday with representatives of the Peninsula Celebration Association, successor to the Fourth of July Celebration Committee.

LeRoy O. Jordan, a member of the PCA committee, was directed to make a drawing of the plan as agreed on and present it to City Manager C. L. Dimmitt, for submission to the city council for final approval.

To be included on the site would be facilities for both year-

round recreation and celebrations such as the Fourth of July affairs. These would include the rodeo field with grandstand; an athletic field suitable for baseball, football, soccer; an enlarged covered dance pavilion complete with stage and rooms suitable for use by Boy Scouts, Girl Scouts, YMCA and similar groups; swimming pool with dressing rooms; concession and amusement grounds; playground.

While there are no plans for immediate construction of these facilities, it was explained by the PCA committee headed by L. E. Wolbert that it was desired to have a definite program of development for the field so that

any work at the site could be done with the eventual program in mind.

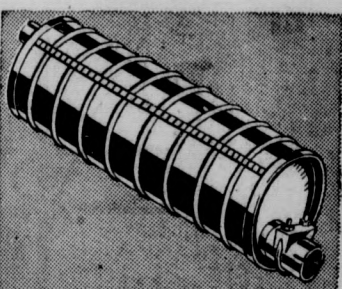

Crash Injury Fatal To Eileen Van Der Kaay

Injuries she received in an automobile accident near Los Gatos two weeks ago resulted Sunday in the death of Mrs. Eileen Van Der Kaay, Woodside resident. She was 44 years old.

Mrs. Van Der Kaay died in a San Jose hospital. She was the wife of Andrew Van Der Kaay of Woodside. Also surviving are her mother, Mrs. Eleanor Duffy, and her brother, Donald Duffy, both of Richland, Ore.

Better Rail Protection To Be Asked

Traffic, railroad crossing and street problems came in for considerable discussion and eventual action before the Redwood City City Council Monday at a 2½-hour session in which the yacht harbor and dancing in taverns were also discussed and acted on. The meeting also produced the first serious deadlock on the board since Maj. H. W. Edmonds, now in the U. S. Army, took a leave of absence.

Upshot of the discussion centering around highway problems was the reaching of several decisions:

1. To ask the State Railroad Commission to make a new study of the Rogers St. grade crossing, where an autoist met death Friday night, to determine if safer protection than afforded by the bell and light signals could be given.
2. To paint the words, "Railroad Crossing" on the pavement on each side of all crossings where there is neither a flagman on duty nor crossing gates in existence.
3. To inquire from automobile associations the cost of having a comprehensive traffic survey made here.
4. To seek "Signal Ahead" signs for El Camino Real to call motorists' attention to the fact there are now automatic traffic signals at several intersections.
5. To speed paving of the vacant lot at California St. at the entrance of the Southern Pacific station for use as a public parking lot.
6. To drop for the present the plans to eliminate the "dip" in Brewster Ave. at Grand St.

\$15,000 Goal For Campaign

Goal of the 1941 Christmas seal sale for San Mateo County has been set at \$15,000, according to Superior Judge Maxwell McNutt, sale chairman, who has appointed his local committee leaders.

The goal was announced by T. N. Thompson of Redwood City, treasurer of the San Mateo County Tuberculosis and Health Association, at the meeting Monday night at which plans for the sale were made. Last year the association received \$11,265. Need for increasing this year's income was brought out by Dr. Harry C. Warren of Belmont, vice president of the association, and Mrs. Ruth Close, executive secretary.

Using figures supplied by Dr. C. C. Gans, county health director, Mrs. Close reported there were 57 deaths from tuberculosis in the county last year.

"Statistics show that for each death, six other persons are actively infected," she declared. "We must assist the official agency to find these cases and hospitalize them."

Dr. Warren discussed the as-

sociation's program, including the watching, in co-operation with the county health department, of 912 families with children with positive tuberculin tests and the examination of draftees.

"Our 1942 program should be to get at the source of infection to the greatest number of our citizens. The food handlers are the next important group," he said.

Bradford M. Melvin, president of the association, conducted the meeting and Judge McNutt appointed the following local chairmen:

Redwood City, Mrs. Florence Donnelly; Menlo Park, O. H. Olson; Atherton, Edwin P. Gerth; San Carlos, Mrs. Mary K. Davis; East Palo Alto, Mrs. Henry Garton; La Honda, Mrs. James Allen; Pescadero, Mrs. Frank Williamson; Belmont, Mrs. Anette Alexander; Burlingame, Dr. Erma Macomber and Mrs. K. Kentfield; Daly City, James Ferguson; Half Moon Bay, Arthur L. Miller; Hillsborough, Mrs. Daniel Koshland; Loma Park, Mrs. J. T. Bevins;

Millbrae, George Davis; San Bruno, Henry C. Hall Jr.; San Mateo, Mrs. Elsa S. McGinn; South San Francisco, Edward P. Kauffman.

Representing special groups are: Mrs. J. M. Foley, county PTA; W. T. Van Voris, pin sale in schools; Sidney Staton and Rev. W. C. Sample, negro groups; H. Tamura, Japanese; Howard Chan, Chinese; Dr. Frank S. Gregory, county medical society; Mrs. Otis A. Sharpe, county medical society auxiliary; Miss E. Thronsen, nursing groups; Dr. W. I. Petersen, county dental society.

A representative of organized labor is to be named later.

Three Women Arrested In Bayshore City Raid

Raiding an asserted house of ill fame in Bayshore City Monday night, the San Mateo County Sheriff's Office took three women into custody. They were Bess Phillips, 50, colored; Lee Jean Jones, 20, and Pat Shaw, 20. They were charged with vagrancy and released on payment of \$50 bail for Miss Phillips and \$25 for the other two.

United States' stocks of cork are believed adequate to meet all defense requirements for the next two years, the Department of Commerce says.

'Monster' and the 'Mug'

Leo Gorrey, irrepressible little toughie, has plenty to worry about when he spends a night in a haunted house with Bela Lugosi in "Spooks Run Wild," a first run picture, opening Sunday at the Redwood Theater. Another first run is the companion feature, "Sweetheart of the Campus," starring Ruby Keeler.

Rope Twirler Previews Stunts for Weekend

Jack Downey is known as an outstanding referee, but few knew until last weekend that he is a fancy roper.

Appearing Friday before school assemblies both at Sequoia High School and at the elementary school in San Carlos, advertising the Portola Jubilee to be held in the Devonshire Hills back of San Carlos this weekend, he received such ovations that he was asked to appear again at the kiddie matinee at the Carlos Theater on Saturday.

Downey, who picked up the difficult twirling tricks at home, as a hobby, showed some of the stunts he will perform at the rodeos and pageant at the H-H Ranch tomorrow and Sunday. His audiences listened with interest to his explanations about the different kinds of rope and the various weighted hondas used in fancy roping, then yelled for more.

Hillis Hubbard, owner of the

H-H Ranch, rodeo headquarters, introduced Downey, who claims modestly that he simply picked up his complicated art by patient practice in his own garage.

Downey is scheduled to appear at the school in Half Moon Bay tomorrow.

Insurance Group Names Convention Delegates

Two delegates were named Tuesday to represent the Redwood City District Association of Insurance Agents at the state association's convention in Sacramento Nov. 10, 11 and 12. John Peters, president of the local group, and Teddy Lauman were selected as representatives at a breakfast meeting held by the group.

Accidental deaths of persons over 65 are proportionately greater than in all other age groups combined.

Frank Fay, Union Head, Dies at S.M.

SAN MATEO—Frank A. Fay, leader in San Mateo County labor circles, died in a San Mateo hospital Wednesday after an extended illness. He was 56.

Mr. Fay was business agent of local 913 of the Painters' Union and was recording secretary of the San Mateo County Building Trades and Construction Council.

When the selective service act was passed, Governor Olson appointed him to San Mateo Draft Board 105 and he had served on that board since.

He was a native of Roxbury, Mass. He had lived in Burlingame 17 years.

He leaves his wife, Maude Fay, and a daughter Mrs. J. P. Gilliam of Elkhart, Ind.
